Letter From the President

Hello everyone,

Let me begin by saying thank you for electing me your president.

With help from the other officers we will keep the club running as smooth as possible

If you would like to see any changes in the way the club is being run you can either contact myself or another officer, or come by one of our meetings and let us know what you would like to see done differently.

I hope everyone had a great Christmas and got plenty of new dive gear to begin the 2009 season.

Although the clubs diving season is over and winter is upon us I heard there are a few hardy souls out there still diving (wish I was too). Congratulation to Mike Vaughn on Becoming Diver of the Year 2008.

-Keith

**KEEP YOUR DIVING GOING OVER
THE WINTER**

Think you need to stop thinking about diving now that the winter is here? Not so; think about ways to enhance your diving and maybe help your buddy:

- Learn about Nitrox (Enriched Air)
- Dry suit (extend your season)
- Equipment Specialist
- EFR
- O2 Provider

These are just a few of the things to keep you active until the Spring is here and we can get out diving again.
